# WHAT IS THE DECEMBREES ELIZABETH EXPERIENCE TOUR

---

## DECEMBREES ELIZABETH EXPERIENCE TOUR

The Decembrees Elizabeth Experience Tour is a two and a half week-long tour to Liberia that seeks to welcome back and unite the diaspora with Liberia. Hosted by Year of the Diaspora, the goal is to welcome our most popular diasporans known as the Decembrees, those that come home every December to spend time with family and friends. This year, we would like to take our Decembrees on a beautiful tour of Liberia to experience the amazing discoveries that our country has to offer. On this exciting tour, we will visit exotic destinations, taste home-grown foods, participate in investment summit to see what opportunities are available, and importantly, participate in the Elizabeth Experience, which is a time of absolute rest, relaxation, peace, and quiet. The package will also include the Heritage Ball and Beach Cookout events.

# OUR HISTORY, A PAN- AFRICAN HISTORY

---

In 1820, a ship left New York carrying 86 African Americans who would later settle on Providence Island, off the coast of West Africa, that would later become known as Liberia, land of the free. Standing as the only independent nation in Africa at the time, Liberia served as the pinnacle of Africa's decolonization and a beacon of hope for African Americans and Africans everywhere. Revered as the **home of Pan Africanism, with its first 10 presidents being African Americans**, Liberia has persisted in the face of atrocities and today, remains more united than ever. This December, Liberia invites African Americans, Caribbeans, and the entire African diaspora to come home to explore attractions, taste our food, experience our culture, and impact our communities by completely immersing in the Liberian culture and understanding the ties that bind us all.
